## What's in it for you?

Swindon Photographic Society is a long established camera club which meets weekly from September to May each year. Our membership ranges from those new to photography, who just want to enjoy a sociable evening with like-minded enthusiasts, to those who are advanced award winning photographers. We encourage new members to join our club no matter what standard they are at, as there are plenty of events going on to appeal to everyone's tastes.

Each year we produce a packed programme to cover all aspects of photography. Take a look inside at our 2019 - 2020 schedule to see what we are running this season. Listed below are just some of the things you can expect when you come to our club:

- A warm and friendly welcome
- Practical evenings and workshops
- Mentoring
- Lectures and presentations from invited Speakers
- Competitions within the club
- Inter-club competitions
- Critiques and discussions
- National exhibition presentations
- A social summer programme

There is no obligation to participate in the competitions, you are still most welcome to come to our evenings to listen, watch, learn and develop your skills in the company of a friendly group of photography enthusiasts.

We meet every Thursday evening from 7.30pm - 9.45pm  
at: The Western Community Centre  
Somerset Road  
Swindon, SN2 1NF

For full details of our club please visit our website:
